

HOW TO TEACH ONLINE

FUTURELEARN, UK

Finally, we'd like to thank you, the learners of this course. As educators we've learned so much from your contributions in the comments and appreciate the support you have given each other, suggesting resources and swapping tips. This course shows just how much we learn from each other, and this is particularly the case with teachers.

Hope to see you again - take care!

From the course educators Matt, Felicity, Monty, and Zoë, we wish you, your students, and your loved one's good health and continued learning during these difficult times. Wash your hands, don't touch your face, and keep up the good work!
